

## **RMA Monitoring & Compliance Officer**

**Our district is expanding at an extraordinary rate and Horowhenua District Council is driving that growth.**

If you're familiar with resource consent monitoring, the RMA or working within district plans, the Horowhenua District Council presents a great opportunity for you to be part of a professional team. Whilst the focus of this role will be to monitor and ensure compliance with resource consents and the District Plan in accordance with the Resource Management Act 1991, the role holder will also have the opportunity to become involved in other compliance work such as the monitoring and enforcement of Council bylaws.

We're committed to delivering exceptional customer services to the local community and are highly motivated to add value to the quality of living of all people living and working in the Horowhenua District.

A tertiary qualification in Resource Management Planning or a related discipline, or experience in a similar role would be advantageous. A good understanding of the Resource Management Act 1991 together with a sound working knowledge of the interpretation of District Plans is essential. The ideal candidate will also have extensive knowledge of local government compliance requirements, standards, monitoring and regulations. Finally, the successful candidate will need to demonstrate a high level of written, verbal, and information processing capabilities.

The RMA Monitoring & Compliance Officer role is a full time, permanent position and is available for an immediate start.

If you'd like to discuss this opportunity further, we invite you to call Vai Miller on [06 366 0999](tel:063660999).
