

Planner

Bonisch Consultants is a boutique land development and infrastructure consultancy with offices in Invercargill, Christchurch and Te Anau. We are a team of engineers, planners and surveyors delivering a variety of exciting projects throughout New Zealand.

We currently have an exciting new opportunity for an Intermediate to Senior level planner to join our team in Invercargill or Christchurch.

The role

In this role you will be involved in the preparation of a wide range of resource consents, including greenfields and infill subdivision; aged care developments; water, discharge and coastal permits; and concessions within National Parks.

You will be an excellent communicator with the ability to work with a variety of consultants and contractors and be able to guide clients seamlessly through the planning process. You will be able to lead and support the planning, management and delivery of projects.

You will hold a tertiary qualification in planning / resource management, be eligible for membership with NZPI and bring 5+ years experience in a planning role. Experience in preparing resource consent applications to both District and Regional Councils and attending hearings would be an advantage.

What we can offer

As a boutique consultancy we are able to offer you exposure to a wide range of interesting and challenging work. Working under our experienced Planning Manager you will be supported to continually learn and develop in your planning career.

We understand the importance of enjoying coming to work each day and work hard to foster a relaxed, friendly and fun work environment with regular team building and social activities throughout the year.

So if you are keen to take the next step in your career with a great team apply today via seek or email your application to victoria@bonisch.nz

Please note we will be reviewing applications as they are received.
