

# WE ARE.

## Looking for someone great to join our team.

### RMA Policy Planner

- Are you...
  - Looking for a new and exciting challenge?
  - Looking for a workplace with great staff culture?
  - Do you want your work to make a difference in our community?

We are looking for a self-motivated, strategic thinker who has proven experience in preparing resource management policies to join our RMA policy team. This is a full time role based at our Te Aroha office.

This role will primarily focus on implementation of the National Policy Standard and undertaking a broad range of plan changes. The successful candidate will have plenty of opportunities to be involved in developing policy to shape our community and project management.

The key attributes sought include proven experience in a policy role, sound analytical and strategic thinking skills and an eye for detail. A collaborative style, with the ability to work with a wide range of people is also essential. Our ideal applicant will have previous RMA policy experience and experience within a local government environment however graduates will also be considered.

**Apply for this position at [www.joinourteam.co.nz](http://www.joinourteam.co.nz) and enter the job code 15514NZPI.**  
**Applications close midday Wednesday, 26 May 2021.**
